

Job Description- The Falcon Playhouse

Job Title: Front of House Manager (FOH Manager)

About the Role:

The FOH Manager is responsible for extending the world of the show beyond the stage. They interact more directly with audience members and help promote the show. They interacted heavily with the production manager but handle more of the artistic side of the job.

Responsibilities:

- Assist publicists and publicize the show (ticket selling)
- Create a welcoming environment for cast and crew (positivity packages)
- Decorate the lobby
- House Manage during the run of the show- manage and coordinate ushers

Candidate Requirements:

- Creativity
- Ambition- this role is still newly developed so bring your own flare to it and help outline it's responsibilities more!
